SECURITY STEEL EQUIPMENT CORPORATION, AVENEL, NEW JERSEY

A LINE TO BUILD ON Security STEEL

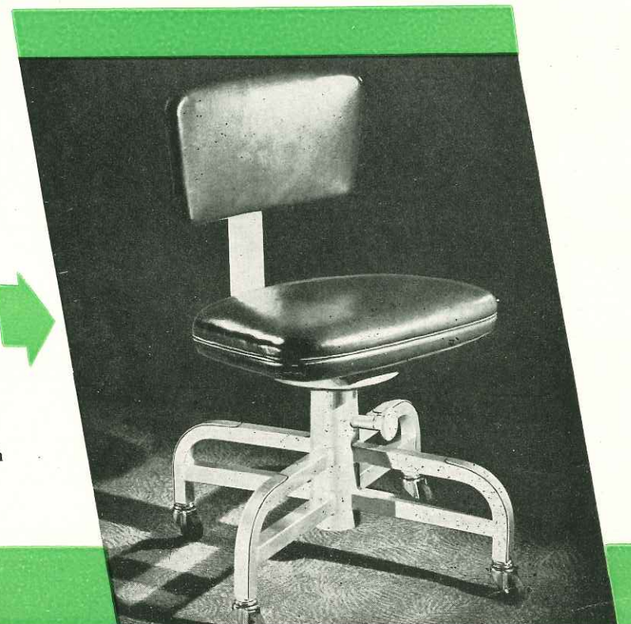
CrestLINE Chairs: A FITTING COMPLEMENT TO THE *NEW* SECURITY

EXECUTIVE AND SECRETARIAL CHAIRS

For the busy executive and the busy secretary, here is posture-perfect seating . . . designed to bring maximum comfort during long hours at the desk. Each has an ample sized flex-spring or foam rubber seat and shaped, well-padded back and arms. Bases are one piece welded construction with stainless steel kick plates to protect the perfect finish. Oversize, ball-bearing, swivel casters give CRESTLINE Chairs feather-touch mobility.

NO. 740 EXECUTIVE CHAIR: The flex-spring seat is 21″ wide at the front, 18½″ wide at the rear. Height of seat is approximately 17½″ (low point) and adjusts to 21″. Height of back from seat is 18″.

NO. 740F EXECUTIVE CHAIR: Same as above with a foam rubber seat.



NO. 745 SECRETARIAL CHAIR: The flex-spring seat is 16½″ wide by 16″ deep. Seat height adjustable from 16″ to 19½″. Comfort shaped back 9″ by 16″ is fully adjustable for height and position over seat. All adjustments can be made without tools.

NO. 745F SECRETARIAL CHAIR: Same as above with a foam rubber seat.

NO. 702 SIDE CHAIR
with air cushion seat.

SIDE CHAIRS

There's real distinction in CRESTLINE square tube designs. On these pieces there's extra luxury, too, thanks to wonderfully resilient air cushion, flex-spring or foam rubber seats. CRESTLINE Side Chairs are furnished in a wide selection of colors in leather, leatherette or rich, long-lasting fabric.

NO. 713 SIDE CHAIR
with flex-spring seat.

CrestLINE Chair Specifications

CRESTLINE TUBULAR STEEL: All tubular steel used in the construction of CRESTLINE furniture is special cold rolled. Whether bent or straight it has the proper thickness of walls to give a maximum of strength, yet in no way to conflict with the graceful design and appearance of the furniture. All joints are permanently welded.

CRESTLINE FINISHES: All CRESTLINE furniture is tough finished in new pastel colors . . . your selection of Litetone gray, green or matched-wood-color. Treated and tested to meet the highest standards, you can be sure that the CRESTLINE finish will maintain its factory freshness for years.

CRESTLINE UPHOLSTERY: CRESTLINE furniture is upholstered by men who know the trade. They are craftsmen who take pride in their workmanship and who give meticulous attention to every detail. All hair, cotton, springs, etc., are new materials and have been accepted only after exhaustive tests have thoroughly proven them suitable for CRESTLINE furniture.

CRESTLINE DESIGNING: Every piece of CRESTLINE furniture, before it is offered to the consumer, must be approved for correct structural and artistic design. This careful styling is based on these two requirements: fine appearance and ability to withstand the hardest of uses.

YOUR CHOICE OF COLOR AND COLOR COMBINATIONS

To meet every need and almost any wish, CRESTLINE Chairs are furnished in a wide selection of colors in rich fabric, leather or Tuf-tex leatherette, or in exciting combinations. With air cushion or deep flex-spring seats, the top and front of the cushion can be upholstered in fabric with matching leather or leatherette side pieces.

For your convenience, listed below are the color selections in fabric, leather or leatherette. Please use the handy symbols when ordering.
